

GROSSMAN YANAK & FORD LLP

Certified Public Accountants and Consultants

James F. O'Mara

Manager, ERP Solutions Group

Direct: 412-338-9308 x-281 • Email: omara@gyf.com

James combines his accounting background and technology experience to serve the clients of the GYF ERP Solutions Group, with a focus on providing support for technology/software implementations. In this role, his primary responsibilities include working directly with clients to improve businesses processes, training users on their ERP systems, and helping organizations to maximize their technology investments.

The ERP Solutions Group is a channel partner for NetSuite, one of the industry's leading cloud-based ERP vendors. Each implementation can be customized to utilize the modules and other features to meet the needs of the individual client. James has experience implementing NetSuite systems and working with industry-specific functionality, including project management, reporting/saved searches, procure to pay, and order to cash.

Prior to joining Grossman Yanak & Ford in 2018, James worked in professional services at an international public accounting firm, and at Fortune 500 companies in the Pittsburgh area within the manufacturing and pharmaceuticals industries. James brings a cross-functional background stemming from his experience in the areas of Audit and Assurance, Management Consulting, Systems Implementations, and Process Improvement.

James earned his B.S. in Business Administration, with dual degrees in Accounting and Accounting Information Systems, from Duquesne University. He is also a Certified Public Accountant (CPA) in the State of Pennsylvania.

Outside of work, James enjoys playing golf, running, listening to music, and spending time with his family. He lives in Wexford with his wife, Gabrielle, and their greyhound, Prefontaine.
