

GROSSMAN YANAK & FORD LLP
Certified Public Accountants and Consultants

Emily S. Dawes. CPA
Manager, ERP Solutions Group

Direct: 412-799-6119 • Email: dawes@gyf.com

Emily utilizes her background in accounting and business management to serve clients of the GYF ERP Solutions Group, with a focus on providing support for technology/software implementations. In this role, her primary responsibilities include working directly with clients to improve business processes, training users on their ERP systems, and helping to maximize their technology investments.

Emily has experience across many areas of NetSuite, including nonprofits, wholesale distribution, light manufacturing, specific features such as Advanced Revenue Management. She is a NetSuite Certified ERP Consultant, Administrator, SuiteAnalytics User, and SuiteFoundations User.

Emily began her career with GYF in 2019 as a summer intern and joined the firm's ERP Solutions Group as a consultant in July 2020. Prior to joining GYF, Emily also had experience performing auditing and attest services and working in development services at a nonprofit.

Graduating Magna Cum Laude in May 2020, Emily earned a Bachelor's of Science degree in both Accounting and Business Management from Grove City College. She is a Certified Public Accountant (CPA) in the State of Pennsylvania.

Outside of work, Emily enjoys spending time with family and friends, particularly cooking at home, and exploring new restaurants with her husband. She is an active member of her church, where she serves as a community group leader. Emily also likes to relax by doing anything that involves music or a taking a long walk/run.
